

## COVID-19 Response

May 6, 2020

Dear Campers,

We continue to follow the restrictions set forth from the Ontario Government's Declaration of Emergency and as such, River Place Campground Ltd.'s **campground will now remain closed until May 19**, as the Emergency Order Act has been extended beyond the May long weekend [[SOURCE](#)]. We will continually re-assess this closure based on the direction from our province's officials.

Direct debit payments for Seasonal Camping fees will come out on May 15<sup>th</sup>, 2020, as normally scheduled. If you know you can't make this payment, **please contact Michelle at [mgreen@pikelake.com](mailto:mgreen@pikelake.com) by May 11<sup>th</sup> at the very latest.**

We are working on two forms: a Code of Conduct and Campground Waiver which we will email to all campers – **these will need to be signed by the Trailer Occupant before we can allow entry into the campground.** We can't finish these documents until we get guidance from the Government and Ontario Private Campground Association on the requirements we must meet in order to open. We do not learn of these provincial and federal updates any sooner than you do; please bear with us as we do our best to quickly get the information and then the appropriate documents to you following the announcement we're all eager to hear.

We at River Place and Pike Lake are all social distancing as well and hating it - we're looking forward to having everyone back when it's safe to do so!

As things change, we will provide further updates by email and on our webpage. Please forward this on to others who may not receive this directly through us.
